CIRCULAR 4 - 6th April 2018

Dear Member,

Here we are again with another dose of great activities for us all to enjoy together and in the best of HMC tradition. Undoubtedly the March full day run and meal was a great success, even though the weather tried its best to dampen our spirits. We hope that the April Gozo run and the first of a series of evening runs prove to be just as good.

## **SUNDAY 15th APRIL FULL DAY GOZO RUN & MEAL**

The HMC full Day Gozo Run and meal is due on Sunday the 15th of April. We will be meeting at 9.00am at the Msida Marina Gardens, for a 9.30am sharp start. We will proceed directly to Cirkewwa and board the 10.30am ferry. In Gozo we will proceed on a run and will stop for the standard coffee break at one of those quaint Gozitan villages. We are booked for lunch at 13.00 at the Qbajjar Restaurant limits of Marsalforn. You need to **book** with Committee Member **Pierre Ciantar** for this, on mobile number **79708362** by latest **Wednesday the 11<sup>th</sup> of April**. Please do not leave it to the end to book as we need to inform the restaurant of numbers attending in good time.

## **FRIDAY 27<sup>th</sup> EVENING RUN & MEAL**

Club member Joe Magri & chef extraordinaire, has offered to look after the culinary side of this activity, which will be based around a superb fenkata. Menu and meal price attached with this circular. We will be meeting for this event, on Friday the 27<sup>th</sup> of April, at the Msida Marina Gardens at 6.30pm for a 7.00pm sharp, start. We aim to be at the Attard venue by 8.00pm and will sit down to supper by 8.15pm. Secure motorcycle parking within the premises is being offered. You need to **book** with Committee Member **Pierre Ciantar** for this, on mobile number **79708362** by latest Saturday **the 21<sup>st</sup> of April**. Please do not leave it to the end to book as Joe will be catering specifically for us and will need advance warning to ensure adequate supplies of food and drink to satisfy our needs. In the meantime check your lights and charging system on your motorcycles, you will need them on the night!

Safe Riding,

*Albert*
