January 2009

Dear Members,

The HMC Annual Show will be held from Saturday 3<sup>1st</sup> January to Sunday 1<sup>st</sup> February 2009, at Muscats Motors Showroom at Gzira. The opening times are from 09.00 to 22.00 hrs

This year is our 20<sup>th</sup> anniversary so we would like to make an extra effort. This is the first of various other activities planned for this year. Tonio Darmanin of Paqpaq will be present with his crew, to film for a future series of programs on the history of motorcycles.

Kindly note that members must bring their machines to Muscats Motors, on Friday before 5.00 p.m. Members **must not** remove their bikes before 9.00 p.m. on the Sunday evening, however, all machines must be removed by 10.00 a.m. on Monday.

For safety's sake, please remember to leave as little petrol as possible in your fuel tanks.

If you have a motorcycle on display (or help us set up the show), you are invited to a Get Together being organized by the Club on the Friday evening at 8.00pm.

Kindly fill in the enclosed form and pass it on to any committee member or phone with your machine details on 99487070, before the 25<sup>th</sup> of January. Your co-operation is appreciated as this will help us place the bikes according to plan.

We will also be having a Military section in the show. Steve Worley will be taking care of this section. So contact Steve on 99466778 and inform him with your military bike details.
