

First I would like to thank you all for helping us out with this year`s MDRA for Inspire. As I well know no event will be successful without the help of the Media people and this year there are many expenses to overcome before we even start the event. Well in this press release I am sending some information to include in your show/magazine /newspaper etc.

Ok basically it will be a static show which has been a big event for these last two years raising funds for the Eden foundation first year .Eden and Razzett foundation second year and this year again for Eden And Razzett foundation under the name Inspire. Hence MDRA for Inspire. Car vendors and retails specializing in car and bike accessories will be attending together with most of the clubs affiliated with the MMF ,Malta Motorsport Federation which this year is also supporting this event. All other clubs and associations and also individuals whom are not part on the Federation are also welcome to attend. If you have a car which you think is good enough for show just turn up at the gate on the 31st March ,which is a public holiday. All clubs will be grouped together and the entrance donation will only be €5 for each person entering our gates. All vehicles entering for the show enter free. Then there will be a small donation each time a person would to run on the Drag strip, block thicketts for this can be bought before hand from the Race tower at the MDRA on the day.

The ASM will be attending this meeting on the day and thanks to the IKC president Adrian ,will also be racing as they would in ta QAli on a smaller scale but on a dirt track at the IKC site in Hal Far which is alongside the MDRA and can also be easily seen from the MDRA spectator`s Podium or if one wants a closer look just around the corner from the MDRA.

There will also be two special shows by Team Maximum lock and team Drift Mania who have promised to give us a spectacular driving show from both teams along the day

That is basically the info so far regarding the MDRA for Inspire this year but not all as we are still in the process of confirming other special surprises for the public attending. Come along bring your family especially children and with the money we make on the day we`ll help many children. Thank you, Regards.For further info contact us on 99471175 or banana@maltanet.net
