

MALTA DRAG RACING ASSOCIATION INDEMNITY FORM¹

DRIVER'S PERSONAL DECLARATION

All persons applying for participation in a Malta Drag Racing Association (hereinafter referred to as the "MDRA") event agree that by applying they wish to drive and/or enter a vehicle or vehicles, and/or otherwise participate in an event organised by the MDRA. They understand that MOTORSPORT IS HAZARDOUS, and drivers are voluntarily exposing themselves to risk of damage or loss or personal injury by participating in any such event.

1. I declare that I am knowledgeable with and agree to the Regulations of the MDRA. In consideration of the acceptance of this entry or of my being permitted to take part in this event, I agree to save harmless and keep indemnified the MDRA and any such person or persons or body as may be authorised by the MDRA to promote or organise this event and their respective officials, servants, representatives and agents from and against all actions, claims, costs, expenses and demands in respect of death or injury to myself, howsoever caused, arising out of or in connection with this entry or my taking part in this event and notwithstanding that the same may have contributed to or occasioned by the negligence of the said bodies, their officials, servants, representatives or agents.
2. Furthermore in respect of any parts of this event on ground where third party insurance is not required by law this agreement shall in addition to the parties named above extend to all and any other competitor(s) and their servants and agents and to all actions, claims, costs, expenses and demands in respect of loss or damage to the person or property of myself, my entrant or mechanic(s). THIS APPLIES FROM START LINE TO FINISH LINE AND EXTENDS TO THE BRAKING AREA (INC SAND TRAP) UNTIL THE CARS TURN FACING THE CONTROL TOWER
3. I am fit and healthy and my eyesight (with lenses if to be worn) is adequate for track use.
4. I hold a current full MDRA Licence entitling me to participate in motorsport events held at the Hal Far Raceway (hereinafter referred to as "the track"), and/or a full driving license issued by the Malta Transport Authority or other competent authority enabling me to operate a vehicle of the size and type that I will be using on the track on the public roads in Malta.
5. I will not participate in a track event whilst under the influence of alcohol or intoxicating drugs, and agree to allow the MDRA Alcohol Control Officer to examine me prior, during, or after an event.

6. I declare that should I, at the time of this event, be suffering from any disability, whether permanent or temporary, which is likely to affect prejudicially my normal control of my vehicle, I may not take part unless I have declared such disability to the MDRA who have, following such declaration, issued a special licence which permits me to do so.
7. I declare that any vehicle which I will use on the track is in good and suitable mechanical condition to participate in a motorsport event.
8. I declare that I personally possess the standard competence necessary for an event of this type. I agree and undertake to obey any instructions that I may be given by any of the MDRA Marshals and/or Administration.
9. I declare that the braking systems and safety measures of the vehicle I will use on the track are uprated to or inline with MDRA Regulations.
10. I am fully conversant with the risks associated with motorsport in general. I understand that all forms of motorsport are dangerous, and can lead to injury or death as a result of my participation and I accept these risks completely.
11. I have read and agree with the above declaration and indemnity, and agree that its terms will also apply to my participation in any future track event organised by the MDRA, unless I sign a subsequent declaration and indemnity, which will then take precedence.
12. All drivers participating in an MDRA event are required to sign this standard indemnity form before the event begins. The MDRA reserves the right to scrutineer any participating vehicles before, during or after having permitted them to participate in an event. The MDRA does not have any control over the level of competence of all participants in any event. The MDRA is not a training organisation. Participants are responsible for the way in which they use the Hal Far Raceway including the pit/paddock area and for wearing appropriate protective clothing. The MDRA may refuse access to any participant and/or his/her vehicle. This indemnity shall be binding on the participant's heirs, executors and legal representatives.
